KING EDWARD VI ACADEMY TRUST BIRMINGHAM DATA RETENTION POLICY

1. INTRODUCTION

- 1.1. The main aim of this policy is to enable King Edward VI Academy Trust (the 'Academy Trust') to manage records effectively and in compliance with data protection and other regulation. As an organisation we collect, hold, store and create significant amounts of data and information and this policy provides a framework of retention and disposal of categories of information and documents.
- 1.2. The Academy Trust is committed to the principles of data protection including the principle that information is only to be retained for as long as necessary for the purpose concerned.
- 1.3. The table below sets out the main categories of information that we hold, the length of time that we intend to hold them, and the reason for this.
- 1.4. Section 3 of this policy sets out the destruction procedure for documents at the end of their retention period. The Data Protection Lead shall be responsible for ensuring that this is carried out appropriately, and any questions regarding this policy should be referred to them.
- 1.5. If a document or piece of information is reaching the end of its stated retention period, but you are of the view that it should be kept longer, please refer to the Data Protection Lead, who will make a decision as to whether it should be kept, for how long, and note the new time limit and reasons for extension.

PUPILS			
Educational Record	Pupil information Regulations 2005 (maintained schools only) Same approach applied in academy context. Data Protection regulation	25 years from date of birth if this is the final school of the child but the pupil file should follow the pupil so it is likely to be difficult to justify the need for retention once the file has been passed to the pupil's new school	
Child Protection information (on child's file)	"Keeping children safe in education Statutory guidance for schools and colleges September 2016"; "Working together to safeguard children. A guide to inter-agency working to safeguard and promote the welfare of children February 2017"	RETAIN UNTIL FURTHER RECOMMENDATIONS Subject to moratorium on destruction due to historic child abuse enquiry. See https://www.iicsa.org.uk/document/guidance-note-retention-instructions-and-data-protection-requirements	
Child Protection Information in other files	"Keeping children safe in education Statutory guidance for schools and colleges September 2016"; "Working together to safeguard children. A guide to inter-agency working to safeguard and promote the welfare of children February 2017"	RETAIN UNTIL FURTHER RECOMMENDATIONS Subject to moratorium on destruction due to historic child abuse enquiry. See https://www.iicsa.org.uk/document/guidance-note-retention-instructions-and-data-protection-requirements	
SPECIAL EDUCATIONAL NEEDS			
SEN files	Limitation Act 1980	Usually 25 years from date of birth of the pupil. If kept longer show good justification.	

Education Health and Care Plans	Special Educational Needs and Disability Regulations 2014 Children and families Act 2014, part 3	25 years from date of birth of the pupil	
Statements of Special Educational Needs (now historic)	Originally under Special Educational Needs and Disability Regulations 2001	25 years from date of birth of pupil unless passed to new school (usually on the pupil's file)	
Attendance registers	Pupil Registration Regulations 2006 Regulation 14	3 years from when the register entry was made if made in paper registers For computerised registers retain until 3 years after the end of the school year during which the entry was made. This applies to every back up copy. The difference in retention periods as between manual and computerised registers has probably come about in error but this is what the Regulations say.	
Other items e.g. curriculum related, photographs, video recordings	Case by case basis	Look at why you are processing this and how long you need it for. Make sure you have a good justification for keeping it as long as you do. Set out the items and the justification.	
PARENTS			
Parent details	Pupil Registration Regulations 2006 For basic name and contact details. Otherwise usually operational in accordance with the statutory functions of the school	Usually, for the duration that the parent has a pupil at the school. Otherwise subject to case by case justification.	

ALUMNI / ALUMNAE			
Alumni / alumnae and their parents		No legal clarity at present. Seek further advice when the Data Protection Act 2018 is in final form (likely to be May/June 2018)

3. DELETION OF DOCUMENTS

- 3.1. When a document is at the end of its retention period, it should be dealt with in accordance with this policy.

Confidential waste

- 3.2. This should be made available for collection in the confidential waste bins or sacks located around the office.
- 3.3. Anything that contains personal information should be treated as confidential.
- 3.4. Where deleting electronically, please refer to the Academy IT support to ensure that this is carried out effectively.

Other documentation

- 3.5. Other documentation can be deleted or placed in recycling bins where appropriate.

Individual responsibility

- 3.6. Much of the retention and deletion of documents will be automatic, but when faced with a decision about an individual document, you should ask yourself the following:
- 3.6.1. Has the information come to the end of its useful life?
 - 3.6.2. Is there a legal requirement to keep this information or document for a set period? (Refer to Appendix 1 for more information)
 - 3.6.3. Would the information be likely to be needed in the case of any legal proceedings? In particular, is it potentially relevant to an historic child abuse enquiry? (Is the information contentious, does it relate to an incident that could potentially give rise to proceedings?)
 - 3.6.4. Would the document be useful for the organisation as a precedent, learning document, or for performance management processes?
 - 3.6.5. Is the document of historic or statistical significance?
- 3.7. If the decision is made to keep the document, this should be referred to the Data Protection Officer and reasons given.
