We will do everything we can to meet your requests, but we cannot guarantee that we will be successful in all cases. There may be problems with groups if too few or too many of you want to study a subject. Due to the current financial situation it will not be possible to timetable a GCSE course with less than 10 students. If we run into any difficulties with your subject choices we will discuss them with you.

Please discuss your option choices with your subject teachers if you are unsure. There will also be the opportunity for further discussion in your PSHE lessons.

In order to achieve an English Baccalaureate, which is awarded to students for passes in English, mathematics, the sciences, a foreign language and a humanity, you will also need to choose at least one of either Geography or History from the options list.
