

KING EDWARD VI CAMP HILL SCHOOL FOR GIRLS

Educational excellence for our City

Temporary Teacher of Mathematics

Maternity Cover, for one year

From September 2025

Salary: MPS/UPS

Information Pack

Dear Candidate,

Thank you for requesting information about our Teacher of Mathematics, Maternity Cover, from September 2025.

We are a forward thinking, selective state grammar school with academy status, and belong to the King Edward VI Foundation of schools and Multi Academy Trust. We are incredibly proud to have been named as the **Sunday Times State Secondary School for 2025**, alongside the **State Secondary School for Academic Excellence in the West Midlands, 2025**. These accolades are borne out of the dedication of each and every member of our school community: staff, students, governors, parents and carers. This is an inspirational place to work and learn, and we hope you are inspired to consider applying for a position in our school.

Aside from our desire for our students to excel academically at KEVI Camp Hill School for Girls, we place great importance on their happiness and the development of them as individuals. By providing a full range of quality experiences both in and outside of the classroom, our students develop confidence, resilience and learn to make healthy choices - all of which helps to prepare them for life beyond school. Every single member of staff and the student body play their part in adding to the history of the school. I am very privileged to lead an outstanding team of colleagues. Their hard work, extensive subject knowledge and commitment to ensuring the academic results are outstanding, enabling our students to make excellent progress as they move through the school.

Our challenging, well-structured curriculum is designed with able students in mind, and encourages them to develop their intellectual curiosity and use higher level thinking skills. We are extremely proud of the breadth of our Curriculum at all Key Stages, and believe it offers students genuine choice. Whilst Maths, Biology and Chemistry are very popular subjects at A Level, we have thriving Arts, Languages and Humanities subjects which are also popular choices for our students. Our extra and supra-curricular offerings are wide and varied, and cater to all manner of tastes. Our school House System is weaved through all aspects of school life, and is just one example of the way in which we both support students pastorally and also develop student leadership.

A major strength of our school is the level of pastoral care. Students are extremely well supported by their Teachers, Form Tutors and Heads of Year. At Camp Hill Girls, we deeply value wellbeing and recognise that good mental health, along with a safe and supportive environment, are essential for building resilience and helping our young people thrive. We are committed to deepening our understanding of trauma and attachment theory and are proud to be a Trauma Informed Attachment Aware (TIAAS) school. Our students demonstrate excellent behaviour and attendance and are highly motivated, eager, and engaged in all aspects of school life.

Camp Hill Girls is culturally rich and diverse, welcoming students from an extraordinary range of backgrounds. As a school community we recognise, celebrate, respect and delight in our differences, and use them as opportunities to learn and become more tolerant about the world around us. This is a caring school which Ofsted recognised, making reference to the fact that "understanding of equality, diversity and inclusion permeates all aspects of school life". We truly believe in the experience we have on offer at Camp Hill.

We believe KEVI Camp Hill School for Girls is an inspirational place to be, and invite you to come and see for yourselves. We very much look forward to welcoming you to our school.

Karen Stevens

Headteacher

The Mathematics Department

STAFFING:

Ian Bettison – Subject Leader and lead for extra-curricular STEM
Mat Taylor – KS3 responsibility
Scott Hamblett – Teacher of Mathematics and Duke of Edinburgh Manager
Amelia Kirby – Teacher of Mathematics
Dipika Bodalia – Teacher of Mathematics – Part time
Katy Hill – Teacher of Mathematics – Part time
Anna Bennett – Teacher of Mathematics and Head of Year 7
Mujtaba Ismail – Teacher of Mathematics and Physics – Part time
Lyndsey Maginnis – Head of School & Teacher of Mathematics
Grace Branch – Learning Mentor

ADMINISTRATIVE SUPPORT STAFF: There is administrative support for the department.

ACCOMMODATION AND RESOURCES: There are 6 dedicated mathematics classrooms situated in the same area of school. All departments in school receive an allocation for resources and there are additional funding strands to bid for specific projects.

CURRICULUM: The mathematics department offers a traditional KS3 curriculum for each of years 7 and 8, before transitioning into GCSE-style learning from year 9 onwards. We follow the Edexcel linear GCSE specification, and use the Collins suite of resources. At A Level, we also follow the Edexcel specification in both Mathematics and Further Mathematics.

ENRICHMENT ACTIVITIES: The mathematics department offers a whole range of extra-curricular opportunities. Each year group gets the opportunity to take part in the relevant UKMT mathematics challenge and subsequent follow-on rounds; we run a maths club for year 7 students along with drop-in sessions to support older students (maths workshop). We run in-house competitions along with offering opportunities for students to take part in national (and international) competitions. The department has strong links with the University of Birmingham and students are invited to lectures and other events at the university.

STUDENTS: We are most fortunate in the skills, talents and qualities which our students possess. Their responsive nature and willingness to learn and succeed provide an exceptional teaching and learning environment. They offer an enthusiastic secondary mathematics teacher a fulfilling opportunity to truly enjoy the teaching of the subject at an intellectual level. There are currently nearly 200 students in the Sixth Form who study mathematics, drawn from both our own Year 11 and from other local schools.

REQUIREMENTS AND RESPONSIBILITIES IN THE POST:

We wish to appoint a well-qualified graduate who can actively contribute to the department and who can teach their subject up to and including A Level. Recently qualified colleagues and ECTs with relevant experience are very welcome to apply. There is a clearly articulated and detailed programme for ECTs, as well as induction arrangements for all colleagues joining the school.

MAKING AN APPLICATION:

Applicants should complete the application form that includes the names, addresses, telephone numbers and e-mail addresses of two referees. A concise but comprehensive letter of application, of no more than two pages, is also required. Applications should reach the Headteacher **no later than 9.00am, Wednesday 30th April 2025.** Please contact Ian Bettison if you have any specific questions on: i.bettison@kechg.org.uk.

INTERVIEW ARRANGEMENTS:

On the day of the interview, applicants have an opportunity to tour the school and speak to some of our students and other members of the maths department. **Interviews will take place the week beginning 5th May 2025.**

It is our regular practice to ask short-listed candidates to teach a short lesson of 20-25 minutes. The group to be taught will be determined to some extent by the background and experience of the candidate, and the school's timetable on the day of interview.

TRAVEL EXPENSES AND REIMBURSEMENTS:

Normal second-class travel is payable to all applicants who attend for interview, plus reasonable overnight expenses where this applies. Candidates from abroad receive travel expenses paid from the port of entry or airport.

We look forward to receiving your application.

Karen Stevens
Headteacher

Job Description: Qualified Teacher:

Core purpose:

- To provide a high quality educational experience for all students.

General duties and responsibilities:

- To carry out the duties of a schoolteacher as set out in the “School Teacher Pay and Conditions” document.
- To continue to meet the required National Standards for Qualified Teacher status.

Knowledge and understanding:

- Be familiar with the school’s current systems and structures as outlined in policy documents including Health and Safety, Safeguarding and Child Protection Policies, Behaviour Policy and implement them.
- Have a secure knowledge and understanding of the concepts and skills in specialist subject(s) and a detailed knowledge and understanding of the National Curriculum programmes of study.
- Understand specialist subject(s) framework of 14-19 qualifications and the routes of progression through it.
- Select and make good use of IT where appropriate within subject teaching.
- Understand and know how national, local comparative and school data can be used to set clear targets for student’s achievement.
- Understand how students’ learning in the subject is affected by their physical, intellectual, emotional and social development.
- Be familiar with subject-specific health and safety requirements, where relevant, and plan lessons to avoid potential hazards.

Planning, teaching and class management

- Plan and deliver in relation to the examination boards and with regard for the school’s aims and objectives, own policies and schemes of work, the teaching programme for all students within the class.
- Provide clear structures for lessons and for sequence of lessons, which maintain pace, motivation and challenge.
- Make effective use of assessment information on students’ attainment and progress and in planning future lessons.
- Ensure effective teaching of whole classes, groups and individuals, establishing high expectations of behaviour and attainment, so that teaching objectives are met.
- Ensure coverage of the relevant examination syllabuses and School Programmes of Study.
- Exploit opportunities to improve students’ basic skills in literacy, numeracy and IT.
- Monitor and intervene when teaching to ensure sound learning and discipline and maintain a safe environment in which students feel confident, both in the classroom and around school.
- Use a variety of teaching and learning styles to keep all students engaged.
- Be familiar with Codes of Practice and identification, assessment and support of students with special educational needs.
- Evaluate own teaching critically to improve effectiveness.

Monitoring, Assessment, Recording, Reporting and Accountability

- Assess and record each student's progress systematically with reference to the school's current Assessment Policy and use the results to inform planning.
- Mark and monitor class work and homework, providing constructive feedback and setting targets for future progress.
- Provide reports on individual progress to the Headteacher and parents as required.

Other Professional Requirements

- Establish and maintain effective working relationships with professional colleagues and parents/carers.
- Participate effectively and appropriately in meetings with professional colleagues and parents in respect of the duties and responsibilities of the post.
- Be aware of the need to take responsibility for your own professional development.

This job description may be amended at any time, following consultation between the Headteacher and member of staff and will be reviewed annually.

King Edward VI Camp Hill Girls' School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. The successful applicant will be required to undergo an enhanced Disclosure and Barring Service check.
